Washington, DC 20554

Re: *Ex Parte* Letter  
IBFS File No. SAT-LOA-20151123-00078

Dear Ms. Dortch:

By this letter, Spire Global, Inc. (“Spire”) hereby notifies the International Bureau (“Bureau”) that NanoRacks, LLC (“NanoRacks”) has informed Spire that NASA has completed its flight readiness review and approved NanoRacks’ Cubesat Deployer for flight on the Orbital ATK OA-5 Cygnus mission. The current launch window for that mission is October 9<sup>th</sup> to October 13<sup>th</sup>. Accordingly, Spire requests that the Bureau expeditiously approve Spire’s request for authority to deploy its LEMUR-2 satellites from the OA-5 Cygnus spacecraft. See, e.g., Letter to Marlene H. Dortch from Jenny Barna, Launch Manager, Spire Global, Inc. (August 19, 2016).

Pursuant to Section 1.1206(b) of the Commission’s rules, this letter is being filed electronically in the above-referenced proceeding. Please direct any questions regarding this letter to the undersigned.

Respectfully submitted,

/s/ Jonathan Rosenblatt
